Please describe the most significant initiative you have taken to improve your immediate environment (work/school/family)

Please tell us about a time in your life when you realized that you needed to stretch yourself to meet a new situation or higher standard. What did you do and what was the outcome?

Please give the most striking example of a time you were successful at working through a major disagreement among individuals (a group) to reach a decision

Please describe a situation that best demonstrates your ability to manage the completion of a project/programme that required complex coordination over several areas

A large, empty rectangular box with a thin black border, intended for the candidate to provide a detailed response to the question above.
